And whereas, it is proposed to extend the limits of the Corporation of the City of Victoria in accordance with the provisions of a resolution passed by a majority of two-thirds of the members of the Municipal Council of the said city on the 1st day of October, A.D. 1890, and confirmed by the vote of the municipality on the 2nd day of December, 1890.

## PROVINCIAL SECRETARY

PROVINCIAL SECRETARY'S OFFICE,  
27th December, 1890.

**HIS HONOUR** the Lieutenant-Governor has directed that the following scale for the remuneration of Official Administrators, and the following rules and regulations concerning the handing over to the Official Administrators by the Registrars of the Supreme or County Courts, or other persons to whom letters of administration have been granted, the moneys, effects, and credits of the estates administered by them at the time of the coming into force of "An Act relating to the Administration of the Estates of Persons Dying Intestate," be made and adopted.

By Command.

JNO. ROBSON,

*Provincial Secretary.*

**WHEREAS** it is provided by the "Official Administrators' Act" that an Official Administrator shall be entitled to receive by way of remuneration a commission, according to a scale to be fixed by the Lieutenant-Governor in Council, on all sums which shall be collected or received by him as such Administrator, in addition to any other allowance for expenses actually incurred to which any Administrator may be by law entitled;

And whereas by the same Act it is provided that it shall be lawful for the Lieutenant-Governor in Council from time to time to make rules and regulations for (*inter alia*) the handing over to the Official Administrators, by the Registrars of the Supreme or County Courts, or other person to whom letters of administration have been granted, the moneys, goods, books, effects and credits of all the estates administered, or being administered by them at the time of the coming into force of the said Act; and whereas the said Act came into force on the 16th day of June, 1890;

Now, therefore, His Honour the Lieutenant-Governor in Council, under the authority of the said statute and of all others in that behalf enabling, hath been pleased to and doth hereby fix the following scale of remuneration and make the following rules and regulations:—

1. Every Official Administrator shall be entitled to receive and retain by way of remuneration a commission of five per cent on all sums which shall be collected or received by him as such Administrator, in addition to any other allowance for expenses actually incurred to which such Administrator may by law be entitled, but no Official Administrator shall be entitled to any commission on sums of money handed over to him by outgoing Administrators under these rules.

2. On or before the 2nd day of February, 1891, every Registrar of the Supreme or County Court to whom letters of administration have been granted by any Court having jurisdiction in British Columbia shall hand over to the Official Administrator of the County in which such Registrar has his office, all moneys, books, papers, effects and credits of or pertaining to all or any estates which have been or were being administered by such Registrar at the time of the coming into force of the "Official Administrators' Act."

3. Every other person (not being a Registrar of the Supreme or County Courts or an Official Administrator) to whom letters of administration have been granted shall hand over, on or before the 2nd day of February, 1891, to the Official Administrator of the County in which such person shall reside, all moneys, books, papers, effects and credits of all estates the administration of which has been committed to him, and which have been or were being administered by him at the time of the coming into force of the said "Official Administrators' Act." Provided, however, nothing in this rule shall be taken to apply to a person to whom administration has been granted and who is a relative of the deceased.

4. In these rules the term "outgoing Administrator" shall include and apply to every Registrar of the Supreme or County Courts to whom letters of administration were granted prior to the coming into force of the said "Official Administrators' Act," and also to every other person not being a relative, or an Official Administrator under the said Act, to whom letters of administration have been granted, and who shall not obtain an order from a Judge of the Supreme Court excepting him from the operation of these rules and regulations.

5. On and after the dates fixed by these rules and regulations for the handing over by the several outgoing Administrators to the Official Administrators, the outgoing Administrators shall cease to act as Adminis-

trators, and all the goods, chattels, moneys and estates whatsoever vested in such outgoing Administrator shall thereupon cease to be vested in or belong to such outgoing Administrator, and shall vest in the Official Administrator designated by these rules as the person to whom the outgoing Administrator should hand over the administration of the estates which have been or were being administered by him at the time of the coming into force of the said Act; and in every such case all such goods, chattels, moneys and estates may be sued for and recovered as the proper goods, chattels, moneys and estates of the Official Administrator, and all rights of action, duties and powers whatsoever of the outgoing Administrator shall devolve upon, vest in and be exercised by the Official Administrator as effectually as if such Official Administrator had been the original Administrator.

6. Provided, that nothing in rule 5 contained shall in any way release or discharge any outgoing Administrator or his sureties from liability in respect of acts done or suffered during the time of his administration, or render any Official Administrator or his sureties liable in respect of such acts.

7. Any outgoing Administrator after handing over any estate as is hereinbefore provided shall or may, at any and at all times thereafter, have the right and be at liberty to have access to, search and examine into all or any accounts, books, papers and other matters or things which were formerly in the possession of him, the outgoing Administrator, and which are in the possession of the Official Administrator. ja3
